

# GROCCERIES

## Grocery shopping services from VillaDirect

When you come and stay at a VillaDirect holiday home, apartment, villa or town home on the Costa del Sol or Costa Blanca, be sure to use this easy service to make sure that your holiday gets off to a great start!

Simply book your VillaDirect holiday home in Spain – then print and complete this form and send it back to Guest Services Team at VillaDirect Spain. You can send it by email, fax or even post it to us (you can also call us if you like!). All of the contact details are below. We'll be delighted to take your order and then buy each of the "starter" groceries listed in the box below. We'll go to the supermarket just before your arrival, buy the groceries, and deliver them to your holiday home, unpack them and put perishables in the fridge for you – **all for only €45!**

**Your family can quickly start the important part of your holiday – enjoying it!**

### Items included in your Welcome Pack
